Hi Grace,

It was good seeing you last week.

I'm putting together background materials for our acting regional administrator in preparation for the November 9 event celebrating CRI. Can you take a look at what I have drafted for the restaurant and boater program? Are the numbers right? Is there anything I should add?

Ongoing pollution prevention programs

- Boater Education Program: provide peer-to-peer education and outreach, mobile pump outs.
- Clean Bay Restaurant Certification Program
 - Participating restaurants follow six key practices: xxxx
 - Currently 400+ restaurants in 11 coastal cities are participating
 - Manage and recruit new participants
 - Pilot Rethink Disposable source reduction program with 1 – 3 restaurants (extra \$25,000 from headquarters to support this project)

Thanks in advance.

Best,

Erica
